The Main Barn comfortably seats up to 130 guests for an indoor ceremony, offering plenty of space to bring your vision to life. We have various room layouts for guest numbers between 30 and 130. We are licensed with Wokingham Borough Council who will conduct the ceremony, legally marrying you in front of your friends and family.

The Main Barn will also transform into your evening party space and dancefloor, ensuring a seamless flow throughout your celebration. With its versatile layout and warm ambiance, it's the perfect setting to dance the night away with your loved ones.

As the day turns to night, the barn comes alive with twinkling fairy lights and a cosy atmosphere, setting the stage for unforgettable moments. Whether it's your first dance or an evening of lively celebration, the space creates a magical experience for you and your guests.

Making the most of
our *stunning grounds.*

We are also licensed for outdoor ceremonies, offering a truly picturesque and unforgettable setting for your special day. Imagine walking down the aisle on our South-facing manicured lawns, where your guests will be seated to witness your vows amidst stunning natural surroundings. YOUR WEDDING BREAKFAST

Our *set-up*
for your day.

Your Wedding Breakfast will be served in the adjoining Lower Barn, a charming space that offers both comfort and elegance for you and your guests. The tables remain set throughout your wedding day, giving guests a designated seated area to relax and enjoy their evening catering or a quieter space to retire to, away from the lively dance floor. This thoughtful design ensures everyone has a space to unwind, making for a more enjoyable experience for all.

A flexible space
allowing you to
create your *ideal*
atmosphere.

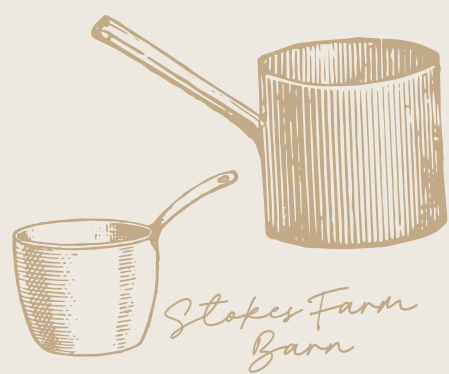

The Barn itself can seat up to 80 guests, depending on your chosen layout, offering a cosy and intimate atmosphere for your Wedding Breakfast. With its high wooden beams and charming character, it provides the perfect setting for your celebration. In addition, the marquee offers a stunning covered outdoor space where guests can mingle and enjoy the beautiful surroundings, whether they're taking in the view of the gardens or relaxing with a drink. This flexible space allows you to create the ideal atmosphere that reflects your vision for the day, whether you're looking for something intimate or grand.

For larger weddings with up to 120 guests, we extend the seating into the marquee, which seamlessly acts as an elegant extension of the Barn. The same stylish decor flows throughout, ensuring a cohesive and stunning atmosphere across the entire venue. For weddings with 120 to 160 guests, we use a larger marquee, included in your package, providing ample space to accommodate all your loved ones in comfort. This additional space allows you to maintain an intimate feel while ensuring there's plenty of room for everyone to enjoy the celebration.

You'll have the option to choose between round tables, which seat between 8 and 12 guests or long banqueting tables that can be arranged down the length of the Barn. This choice of layout allows you to personalise your wedding breakfast and ensure your guests have a memorable experience, and are able to enjoy delicious food and great company in style.
